

Friends of Beaconsfield High School

AGM meeting to be held at Stoke Park

Date: Wednesday 2 December, 7.00pm

This year the Friends of Beaconsfield High has decided to do something different for its AGM and would like to invite as many as possible of you to come and join them *at the beautiful Stoke Park*. [Click here](#) for map.

This year's AGM is intended to be primarily an opportunity to thank people for all their fund raising efforts from the last academic year and to review the progress we are making towards this year £36k target.

Owain Johns will, as usual, be attending the Friends meeting as the school does recognise the important role Friends play in supporting the school.

Stoke Park has generously offered its Garden Lounge in the Pavillion for our meeting where we will be celebrating with a glass of wine and efficiently working our way through the AGM agenda.

We would like to welcome as many new faces as possible. If you are a parent of the school, please just come along and you have my word, you will not leave with any more commitments than you choose to make to deliver our calendar of events! I believe our meetings have two key benefits. Firstly, they are an excellent forum to meet other parents in the school and, secondly, they offer an opportunity to give something back to the school in exchange for the outstanding education our daughters receive.

I do hope you will try to come along. Please put the date in your diary and email me if you can come.

Best wishes

Caroline Kinsey

Chair of Friends
