Julie Targett

What is your role?

Lettings Officer and Finance Assistant

How long have you worked here?

Seven years.

Where are you based?

My office is next to the Staff Room.

Best thing about working at Becky High?

I love working with the staff at Becky High and I really enjoy my role on the staff wellbeing team which aims to bring smiles and joy to everyone who works at Becky High.

Life before Becky High!

I started out in finance, moving to sales before becoming a mum to three wonderful children. I loved staying at home with them and did so for a number of years. During this time, I enjoyed volunteering on the PTA and as the treasurer for a local football club. Once my children started school, I worked with a lovely four-year girl with a speech impediment. Three years later when she started junior school, I moved into Early Years. It has been a real pleasure seeing the children I taught to read in Reception come up through both Beaconsfield High and another secondary school I worked at.

“

I love spending time with my family who are a very important part of my life. I am a keen traveller, I enjoy gardening, opera and flower arranging. Our last family holiday in 2021 took us to Iceland and we were very fortunate to see Fagradalsfjall Volcano still erupting in July. My friends have two nicknames for me – Judith Charmers (my love of holidays) and Martine Lewis (my love of financial bargains)!
